LIFEFORM®

COMFORT THAT FITS YOUR DAY. HANDCRAFTED TO LAST.

LIFESTYLE SERIES

(MODELS 8694 & 8694B)

Designed for Everyday Living

Work happens everywhere now. At home, in shared spaces, and at desks that serve more than one purpose.

Your chair should feel just as adaptable.

The Lifestyles Series brings together ergonomic support and clean, versatile design, offering comfort that fits naturally into both work and living environments. With LIFEFORM's contoured seat and supportive backrest, it helps you stay comfortable whether you're focused on tasks, taking calls, or shifting through a busy day.

Each chair is built by hand in our Calgary workshop, where materials are carefully selected and assembled with the same attention to detail found across the LIFEFORM collection.

Because comfort should feel effortless wherever your day takes you.

LIFESTYLES MID-BACK SERIES

A refined mid-back chair that moves effortlessly between work and life, offering supportive comfort, intuitive adjustments, and handcrafted quality built to last.

SUSTAINABILITY

We believe in building fewer, better things.

By sourcing responsibly, minimizing waste, and designing chairs for long service life, we create products that support both your comfort and the environment.

INNOVATION

Every LIFEFORM chair reflects decades of ergonomic learning.

From pressure-relieving foam systems to intuitive adjustment features, Lifestyles helps you stay supported, aligned, and comfortable throughout the day.
